

PREFACE

# PRINCIPLES OF CRIMINAL LAW

*Fifth Edition*

ANDREW ASHWORTH

**OXFORD**  
UNIVERSITY PRESS

Chapter 8 with non-fatal physical violations (including sex offences), and Chapter 9 with offences of dishonesty. The book concludes with Chapter 10 on complicity, and Chapter 11 on inchoate offences.

In the course of preparing this edition I have again benefited from the assistance of several friends and colleagues, and I am grateful to them all. The processes of Oxford University Press have been splendidly efficient. I have retained the gender-specific 'he' in most parts of the book, when referring to defendants and offenders, on the ground that the vast majority of them are male.

I hope that statements about the law were accurate on 1 January 2006; a few subsequent developments have been noted in appropriate places.
